

## **Information on the closure and loan issues of the HAB due to COVID-19**

As a measure to control COVID-19 , the library will remain closed to the public until 19 April 2020. This also applies to the collection of magazine orders, return of media and extensions of loans.

You still have the possibility to renew borrowed media via your user account in the OPAC. The usual number of renewals has been increased for this purpose. Should reminders be sent despite these possibilities, we will cancel your reminder fees by 19 April 2020.

Interlibrary loan is also discontinued nationwide.

For further information, please contact the library staff by telephone during the hours Monday to Friday 10 a.m. to 12 noon and 2 p.m. to 4 p.m. or by e-mail.
