

American Friends of the Herzog August Bibliothek

Supporting the Next Generation!

The American Friends of the HAB offers travel grants of up to \$ 2,000 to assist US Citizens (or permanent US Residents) who are in the process of writing dissertations based on the rich collections of the Herzog August Bibliothek. Early career scholars (up to 3 years after PhD) may also apply. AFHAB grants may be used in conjunction with a doctoral fellowship from the library or other funding. Visits to the HAB made possible by the travel grant are expected to last for a minimum of four weeks in order to allow enough time for work with the collections. There are no deadlines. Information: Professor Gerhild Scholz Williams (Washington University St Louis) gerhildwilliams@wustl.edu
