

**The AMERICAN FRIENDS of the
HERZOG AUGUST BIBLIOTHEK**

2023/24 TRAVEL GRANT APPLICATION

*There are four components to your application: This grant application, the project proposal, project budget, and a written endorsement. In your project proposal, include your name and title and a one-page description of your project addressing the following questions: what is the aim of your dissertation/project; how far advanced is your research; why are the holdings of the HAB essential to you at this stage; and what exactly do you plan to consult? In the budget, give a brief estimate of costs for your travel to and from Wolfenbüttel, detailing any other funding you may be receiving in conjunction with the travel grant and state your intended dates of travel. The written endorsement from your endorser, with their name and contact information (address, email, etc.), can be sent separately or together with your application. This form, your project description, your budget statement, and the endorsement should be submitted by e-mail to: **meplummer@arizona.edu**.*
